

2022 PRAYER GUIDE

Urbancrest
MISSIONS

The *Whole* Church
Taking The *Whole* Gospel
To The *Whole* World.

PRAY | GIVE | GO | SEND

Pastor Tom Pendergrass | Senior Pastor

.....

It's almost time for Urbancrest's annual Missions Conference, March 16-20, 2022!

The theme of "An Open Door in Heaven" will be key to everything we will be doing for missions in 2022 and beyond. Revelation 4:1 After these things I looked, and behold, a door standing open in heaven. And the first voice which I heard was like a trumpet speaking with me, saying, "Come up here, and I will show you things

which must take place after this."

One day soon Jesus will return and we're going home! I want to take as many people with us as we possibly can. This is why we focus on Connecting People to Jesus. It is The whole church taking the whole Gospel to the whole world! Once this door is opened in heaven it will close quickly, in 11/100ths of a second, when Jesus returns for His church, His bride. Those who are left behind will have to endure seven years of tribulation on this planet unlike anything the world has ever seen. I don't want anyone to be left behind!

For months, we've been anticipating and fervently praying for this conference and now it's time to celebrate what the Lord is doing in missions locally, nationally and internationally. This is a wonderful opportunity to hear the report of all the things that God had done with them to open a door of faith. We are continually asking God to help us stay faithful in praying, giving, going, and sending. We encourage you to use this prayer guide throughout all of 2022 to remember and pray for the missionaries and ministry partners that we support through the Faith Promise Fund. I pray this will be a transformational time in the life of our church!

Urbancrest Global Missions

Urbancrest trains and supports sending missionaries and short-term workers to the mission field both globally and locally. Please pray about where God would have you partner with us in 2022 to take the Gospel to the world.

Note: Since the world is still struggling with travel and the entry processes into some countries are in a constant flux, all mission trips for 2022 are subject to change or cancellation due to unforeseen circumstances. Our goal in missions is to always rely on God's direction and timing and to be wise in our decisions. Thank you for your understanding.
